

MCCONNELL AIR FORCE BASE

FRONTIERS IN FLIGHT

OPEN HOUSE & AIR SHOW

Parking Instructions

Primary Parking (*Walking*)

Primary parking is located at Textron Aviation Field with access points located along Rock Road and Pawnee Street. Sedgwick County Sheriff's Office and Wichita Police Department will be controlling the flow of traffic entering the parking area. Volunteers will guide visitors to their parking locations throughout the field. Motorcycles are asked to use the Pawnee Street access point for a concrete parking location.

Visitors parking at Textron Aviation Field will be required to **walk** (10-20 minutes) between their vehicle and McConnell AFB's Entry Control Point (North) to access the air show viewing area.

*This parking lot is **NOT** handicap accessible.

Secondary Parking (*Shuttle/Handicap*)

Secondary parking is located at Spirit AeroSystems and Air Capital Flight Line with an access point located on Oliver Street near George Washington Boulevard. Sedgwick County Sheriff's Office and Wichita Police Department will be controlling the flow of traffic entering the parking area. Volunteers will guide visitors to their parking locations. This parking area is limited. Visitors with physical limitations inhibiting their ability to walk are asked to park here for shuttle service. This includes handicap-accessible shuttles.

Visitors parking at Spirit AeroSystems and Air Capital Flight Line will be required to **ride a shuttle** (continuous) between the parking lot and McConnell AFB's Entry Control Point (North) to access the air show viewing area. The shuttle lots will require limited amounts of walking.

*Uber, Lyft, and Taxi drop-off/pick-up will be available at this location.

Department of Defense ID Cardholders

DoD ID Cardholders have the option of parking on base. Those choosing to park on base will be directed to enter through McConnell AFB's Main Gate at the intersection of Rock Road and Arnold Boulevard. Please follow signs and the instructions of volunteers to access parking locations throughout base.

Visitors parking on base have two options to access the air show viewing area:

1. **Walk** to one of two entrances located on the east edge of the flight line
2. **Ride a shuttle** to the flight line's Entry Control Point (South) via the "used car sales lot"
